Louis Cruise Lines Aegean Classic

Greece is always a 'slick' vacation pick, and here, paired with Turkey, expect more than a few magic moments. You're cruising ancient waterways to gorgeous islands, while thinking about sinking time into serious sightseeing, shopping and dining. Basically, at various ports, you come, go and flow, as you please. Expect smooth sailing on the Aegean Classic liner, but afterwards, add on some party overtime and lay anchor somewhere nearby, like our stunning, new Mykonos Island Resort.

Please note: your cruise ship will not be exclusive to Contiki and therefore you will have the opportunity to mix with a wide range of people. The order of ports of call on some days may be reversed. When booking twin-share for these tours both passengers must book at the same time.
