Aussie Explorer

If Australian tours could talk, this mammoth one would ask the others 'Who's your daddy?' Adventure, luxury, excitement and enlightenment, make these perfectly-planned 25 days a must for anyone committed to experiencing the native peoples, historic places and modern architectural marvels that make Australia special. Much like the natural phenomenon that is Ayers Rock, a wonder of the world, you'll feel large and in charge, enabled by surplus fun and interesting, epic-scale activities.

Trip Itinerary

◆ Days 1-2: Depart for Australia

Fly over the international date line on your way to Australia.

◆ Day 3: Arrive Sydney

Check into your Travelodge Hotel Sydney after 2.00pm, the rest of the afternoon is free for you to explore. Tonight meet your fellow travellers and get to know them better as we enjoy dinner and a night out in Sydney.

◆ Day 4: Sydney to Coffs Harbour

Meet your Contiki crew and before heading across the famous Sydney Harbour Bridge, we'll make a photostop taking in the harbour and Opera House. Then to the picturesque vineyards of the Hunter Valley to sample some of the local Hunter wines before continuing along the 'holiday coast' to our accommodation at Coffs Harbour. Then it's playtime - a drink, a dip or maybe a stroll along the beach.
